

OPERATION “POSTCARDS FROM THE ENDS OF THE EARTH”

Associate yourself with Théâtrotour du Monde by enjoying yourself!

Give concrete support to this project and receive - for you or for the person of your choice - **10 post cards from the ends of the earth, one from each country! This way, for 50 euros**, my adventure will be partly yours...

This is a donation in exchange for a "service", which will allow the Association to carry out the Théâtrotour.

Attention: Subscriptions to the Postcards from the ends of the earth operation are only possible up to 9 July 2006, the eve of departure!

If for a reason outside our control, the sending of one or more cards cannot be done, the association commits to reimburse the payment made for this or these cards. On the other hand, the association cannot be held responsible for the non-arrival of a card actually sent and no reimbursement will be made in the case of complaint.

MAKE A DONATION

If you wish to make a donation to the "Le Monde est à Nous" association, we thank you warmly and sincerely in advance.

Whatever the sum that you wish to, or can give, you can be sure that it will be essential for the completion of the proposed projects.

Your generosity will help us, first with the organisation of the Théâtrotour du Monde, then in the near future, to finance exhibitions...

You just need to use Paypal, the on line secure payment tool. Click the button and follow the instructions. It's very simple!

For those who prefer the old method, you can send a cheque payable to the order of "Le Monde est à Nous":
